

Our Mission Statement

We exist in a pursuit of community-centered, justice and holistic healing centered on impacted ACT 128 communities, which include per §902 (b)

- Individuals who identify as Native American or Indigenous;
- Individuals with physical, psychiatric, or mental conditions or disability, and the families of individuals with the physical, psychiatric or mental health condition or disability;
- Black individuals and other individuals of color;
- Individuals with French Canadian, French- Indian or other mixed ethnic or racial heritage;
- Other populations and communities at the discretion of the Commissioners.

We seek collective liberation from violence and discrimination systemically perpetrated by the State of Vermont. We do this by uplifting community voices through storytelling, researching, and community relationships, and make legislative recommendations.
